WE observe that the Rev. TIMOTHY B. ject being, "What is to be the future religion of America and of the World." It did not suit Timothy to include America in the world. He wants his ideas to prevail not only throughout the world but also in America. This is in sccordance with his ancient editorial style in West Virginia.

she has held, and perhaps still holds, unresenting the tax payers, is loath to do
anything of the kind. It prefers to ask
the Secretary and all other heads of the
Departments to revise their estimates, cut
down expenses, and thus save any necessity for either lurther taxation or inflafor additional taxation, but Congress, rep sity for either further taxation or infla-This is the stand taken in Congress both by Mr. Dawes, Chairman of the Ways and Mesns Committee, and by General GARFIELD, Chairman of the Committee on Appropriations. And it is the right position. The people demand regent at the hands of the govern ment; they demand that foolish appro priations, like the proposition for govern ment buildings at Charleston in this State shall be dropped, and that as little money as possible shall be spent on public improvements already authorized. We wan

more economy instead of more taxation. Give us retrenchment and let the currency alone as it is.

Chicago Monry Market.—Financial matters at Chicago seem to have regained their normal condition. The aggregate bank clearings are equal to those of the the same period last year. The Tribute says that the banks are offering money to their regular customers for 30 and 60 days at 10 per cent, and on demand lower, with collaterals at 7 and 8 per cent. In

their regular customers for 30 and 60 days at this moment in Great Britain. When the collaterals at 7 and 8 per cent. In the open market prime commercial paper is very scarce.

"A great deal of meney is being sent in from the country to loan at thirty and sixty days. There is, however, a good demand for money on six months' loan, at 10 per cent, with some transactions on these terms. A month hence, when the port-packers have collected on their contracts, and closed up the bulk of their packing business for the year, they will have a large amount of funds to invest in business paper according to their usual practice, and the expectation that money will be abundant then is reasonable."

The quotation for bank stocks in Chicago indicates a healthy condition among them. Two hundred and thirty is bid for Northwestern National, 145 for First National, 200 for Merchants National, 140 for City National, 115 for Fifth National, 125 is asked for German National, and the same for Commercial Satchange National.

which justifies us in writing of it as one of our rapidly growing and most flourish-ing interests. The Star Foundry, one of ing interests. The Star Foundry, one of the largest in the country, is exclusively employed in the manufacture of stover and light castings. This concern in name is one of the oldest in the city. The old building stood on the site north of the postoffice, now occupied by Robt. Luke's postomee, now occupied by Rouls-livery stable, and was built by Sauls-bury, Strain & Co. After passing through several hands it was pur-chased in 1861 by Thos. G. Culbertson, Esq , for about six thousand dollars. He entered more exclusively upon the

ry, of the Burnside, or Frost Killer Stove. which is still the best heating stove i In the year 1868 Mr. Culbertson ; chased the immense warehouse building known as the Forsyth property, with a view of fitting it up as a foundry, and associated with himself Benj. Fisher, Esquader the firm name of Culbertson & Fisher. Early in September, just after the formation of this firm, the old Star

Foundry was burned, and with it a large

manufacture of stoves than his predecess-

ors, and made the first cast, from patterns

furnished by Mr. Rider, of Martin's Fer-

portion of the patterns.

The new firm, however, resumed business by the middle of October following in their new quarters, but only occupie a small portion of the building. They supplied themselves with later and more stylish patterns, and began that improve stove business of Wheeling. In the fall of 1870 Mr. Fisher, by purchase, became the sole proprietor of the Star Foundry. of ample capital, he determin that the stove business of Wheeling should rival that of any other city in the West in everything appertaining either to quality make or excellence of style. He immedi ately set about this scheme of improvemen which has converted his immense building into a foundry worthy of our city's great Nail prestige. Neither effort or money has been spared that would secure the latest improvements in cooking stoves either ornamental or useful. His pride a pretty name by the way, which for va riety and completeness of attachment he esteems without a rival. Mr .Fisher ha also added to his regular line of cast goods a great variety of ornamental castings, such as vases, flower stands, &c, and has capped the climax with an assortment of the most beautiful marbleized iron and

The Amende Honorable by Telegraph.

Columbus, Dec. 16.—On the 28th of November an Associated Press dispatch was sent from this point relative to the removal of Charles J. Hess as agent of the Protection Life Insurance Company, of Chicago, and the filing of a petition in the courts of this county for an alleged of Chicago, and the filing of a petition in the courts of this county for an alleged appropriation of \$11,900 of the Company's money to his own use. This dispatch was sent as a news item simply, and was furnished by the attorney of the Protection Company. On the same day a dispatch was sent giving a statement from Hess as to the facts in the case. It appears that some further statement is proper. The press agent at this point by correspondence and conversation with responsible parties is satisfied that the first dispatch sent on the 29th did Mr. Hess injustice. He is a man of large and valuable property and has been in business here for several years. Perhaps the strongest evidence to be found that these grave charges of fraud are without proper foundation is best shown without proper foundation is best shown by the fact, that immediately after the suit for the alleged embezzlement was in stituted Mr. Hess was unanimously elect-ed a director of the Ohio Life Insurance

company, of Cleveland. Weather Report.

For the Northwest, light variable winds and generally cloudy weather, with slight changes of temperature. Death of the President's Father-in

WASHINGTON, Dec. 16—Owing to the death at a late hour last night of Colonel Frederick Dent, father of Mrs. Grant, there was no formal meeting of the Cabinet to-day, nor were visitors received by the President. The deceased was in his 88th year. He complained of being unwell yeasterday, but no alarming symptoms were apparent until a short time before his death, which occurred without a struggle. The remains will be deposited in the family tot in St. Louis Cemetery. They will be accompanied West, probably tomorrow, by President Grant, Gen. Dent, Marshal Sharpe, Colonel J. A. Casey, and other members of the family, together with General Babcock.

Mr. Eldridge, of the Judiciary Committee, advocated the bill. He understood the gentleman who had reported two ordinations of the original bankruptey bill to the House referring to Mr. Jeneks, of Rhode Island vasions. The measure operated practically as a confiscation of debtors' estates, not the family to in St. Louis Cemetery. They will be accompanied West, probably tomorrow, by President Grant, Gen. Dent, Marshal Sharpe, Colonel J. A. Casey, and other members of the family, together with General Babcock. with General Babcock.

the Committee on Appropriations.
Washington, Dec. 16.—The House WASHINGTON, Dec. 16.—The House Committee on Appropriations this morning heard the Postmaster General on the revision of the Department estimates. He stated that there would be required an appropriation of about \$4,000 to cover the expense caused by, the alteration of the grades around the post office building. The Committee on Ways and Means has agreed to report the building-mended by the Commissioner of Internal Revenue relating to certain, details of minor importance connected with bonded nor importance connected with bonded distilleries.

# duced to one-half the fees, commissions duced to one-half the fees, commissions and charges heretofore allowed: The previous question was seconded on this proposition by 120 to 25, and the amendment agreed to without division. The bill as amended was then passed—yeas 220, nays 44. It consists of two sections, the first repealing the bankruptcy act of March 3, '67, and all acts amendatory thereof, and the second enacting the proposition submitted by Mr. Beck, of Kentucky.

WASHINGTON, D. C., Dec. 16.

THAT CHAPLAIN AGAIN. The Chaplain in prayer alluded to the death of Col. Dent and invoked the con-

solation of Divine Providence upon the President and family. Alluding to the death of Agassiz he invoked the same tory thereof, and the second enacting the proposition submitted by Mr. Beck, of Kentucky.

COMMITTER ON SALARIES REPORT.

Mr. Hale, of Maine, from the Select Committee on Salaries, reported back a bill, the first section of which repeals all the provisions of the act of March 3, 1878, which increases the salaries or compensations of Senators, Representatives and Delegates in Congress, or of any officers or employes of the Government, except so far as relates to Judges of the Supreme Court and to the President of the United States during his present term of office. The second section provides that hereafter the compensation of Senators, Representatives and Delegates in Congress shall be at the rate of \$5,500 per annum, and this shall be in lieu of all offices, except the actual and necessary individual traveling expenses, coming to and returning from the Capital once every session, which shall be paid to each Senator, Representative and Delegate on the same being certified by him to the proper acdean of Agassiz he invoked the same blessing upon the sages and scholars among whom a Prince had just fallen Mr. Wright presented a petition sakin, the repel of the bankrupt act. Referred The bill placing the line of telegraph between the Capital and the several dehe repel of the bankrupt act. Refe The bill placing the line of teleg between the Capital and the severa partments under the charge of the Com-missioner of Public Buildings and

mesoner or ruone Buildings and Graunds was passed.

Mr. Morrill, from the Committee on Appropriations, reported back the House bill making a special appropriation of four million dollars for the pasy without amendment, and asked that it be considered immediately.

ed immediately:
Mr. Morton hoped it would be postpon
ed until other matters should be disposed

of."

Mr. Morrill then gave notice he would call up the bill to morrow.

Mr. Morton asked that the resolution offered by him yesterday in regard to the admission of Mr. Pinchbeck to the Senate

be taken up.

Mr. Ferry, of Conn., had hoped that this subject would be postponed till after the holidays. He would object to a vote being pressed this week, as he desired to

which shall be paid to each Senator, Representative and Delegate on the same being certified by him to the proper accounting officer, and the salary or compensation of all officers and employes of the Government subject to the exceptions named in section one shall hereafter be the same as they were prior to the passage of the act of 1873.

The third section requires the Secretary of the Treasury to cover into the Treasury all sums that may remain undrawn, and have been received as inay something.

The morning hour having expired, the drawn, and have been received as in-creased compensation which shall or may come into their possession by return

The morning hour having expired, the Chair announced that the resolution reported by the Finance Committee on Wednesday last was in the regular order.

Mr. Morton moved to lay aside the regular order and proceed with the consideration of the resolution to admit Mr. Plinchbeck offered by him. Agreed to.

Mr. Morton then addressed the Senate in layor of the resolution. He argued that the investigation last winter into Louisiana matters had nothing to do with the present case, and protested against having this case over laid by that sort of argument and talk. He did not mean that this case should be rushed through withallowances, \$504.69. The committee nau fixed the total amount at \$5,500.

Mr. Kasson, a member of the Committee, offered an amendment providing that Senators, Representatives and Delegates of the 43d Congress who had received this case should be rushed through with-out consideration, but there was right in-volved and the resolution was in every sense a privileged question. He denied voived and the resolution was in every sense a privileged question. He denied that this was not a question of politics but of law, and thought this case similar to that of Mr. Goldthwait, adjudging that Mr. Pinchback should be admitted and the legality of his election decided afterwards.

wards.

Mr. Stockton remarked that all great lawyers had maintained that the Senate had power to inquire into the legality of the legislature electing a Senator, and he did not think that the doctrine could be

and not think that the describe could be successfully disputed.

Mr. Morton replied that the President had determined who was Governor and which was the Legislature of Louisians. The House of Representatives agreed with the President that the State of Louisians. iasiana was wronged every day that Mr. Pinchback was kept out of his seat.

LEGAL TENDER WON'T DO FOR DUTY. Mr. Sherman, from the Finance Committee, reported informally a bill authorizing the payment of a portion of duties on imports in legal tender, and coin.

The Committe was discharged from further consideration of the bill.

At 2:45 the Senate went into Executive research.

At 5 o'clock the doors were re-opene and the House resolution to adjourn over and the House resolution to adjourn over luring the holidays from Friday next, and the House bill to repeal the bankrupt act were read the first time and laid over till -morrow. Adjourned.

HOUSE.

Mr. Willard offered a resolution in-tructing the Committee on Civil Service and Reform to inquire whether a reduc-ion can be made in the cost of civil sertion can be made in the cost of civil service, in number of officers employed and
compensation paid, without impairing the
efficiency of the service, and also the expediency of providing that all officers in
the civil service shall receive as compensation only such salary as shall be fixed
and determined by law. Adopted.

Mr. Luttrell saked leave to offer a resolution reciting the amount of interest hald

ution reciting the amount of interest paid by the government on account of the sev-eral Pacific Railroad Companies, and di-

Mr. Sypher objected and the resolution and then Mr. Butler offered his Mr. Sypher objected and the resolution was not received.

The House then took up the bill reported yesterday from the Judiciary Committee to repeal the bankruptcy act, and Mr. Tremaine proceeded to advocate it.

Mr. Wilson of the Judiciary Committee conceed the bill armine the the law THE HOUSE REFUSES TO ADJUNCT.

Pending the vote on Mr. Butler's proposition a motion to adjourn was rejected, also Mr. Butler's amendment—yeas 121, nays 129. After which another modification was rejected. 121, nays 129. After which another motion to adjourn was rejected.

A PAYORABLE VOTE ON SALARY QUESTION.
The House voted on the Kasson amendment making the reduction of members
salaries take effect from the 4th of March
'73, and adopted it. Yeas 172, nays 77,
Without making further progress with
the measure the House adjourned.

tee, opposed the bill, arguing that the law was necessar¶ and if there were defects was necessary and it there were defects in it the proper course was to remedy these defects. He thought the title of the bill ought to be "a bill to embarrass justice." He believed it unwise to repeal the existing law and believen it wise to make it perfect. He trusted the House would recommit the bill to the Judiciary Committee.

Members of the Typographical Union Mr. Beck gave notice of an amend which looks to the details of the provision to reduce all costs, fees and charges 50

to requee all coats, sees and charges over cont.

Mr. Eldridge, of the Judiciary Committee, advocated the bill. He understood the gentleman who had reported the original bankruptcy bill to the House

ules, and there had been time certainly rules, and there had been time certainly, but no lawyer of Jay Cooke & Co's was urging its passage. That firm was then carrying on a reckless speculation, with a view perhaps of being discharged from their liabilities under this international

The New Orleans Ficayune sold, for \$20,000.

New Orleans, Dec. 16.—The Picayune newspaper was sold by the sheriff to-day for \$20,000; on twelve months bond, Judge Alexander Walker of the Herald, being the purchaser, who is required to carry out all advertising contracts and unexpired aubscriptions. law. Mr. Butler, Chairman of the Judiciary Committee, closed the debate, supporting the bill.

the bill.

Mr. Tremain then moved the previous question on a third reading of the bill. Not seconded by 70 to 121.

Mr. Beck then moved to strike out the first section of the bill, and insert in lieu thereof the following:

Sec. 2. That all suits and proceedings now pending in the courts of the United States wherein an adjudication of bank. has adopted resolutions declaring against the issue of any more irredeemable paper money, and recommending that Congress take measures to improve the currency

distilleries.

Repeal of the Bankruptcy Law by the House.

Washington, D. C., 16.—The House has passed ab bill to repeal the bankruptcy law in the shape of a simple repeal and an additional section, requiring all pending. Provided, that from and after ligs suits to be tried under the present law, but with a reduction of one-half in the fees and charges.

Inow pending in the courts of the United States wherein an additional seem made, shall be proceeded by the provisions of the existing law, which are hereby condant and after five with agents. believed the House did not intend to pass any practicable measure, and he proposed to help out the House in that direction.

Mr. Neal spoke in favor of the reduction taking effect from the beginning of the present Congress, and declared that in his opinion the President of the United' States was more responsible for the uncreased salary law than any one else.

Mr. Eldridge defended his course in voting for the salary bill of March, '73.

Mr. Hale, of New York, was in favor of the repeal of the law so far as Senators GOVERNMENTS-Active; closed at the ighest prices of the day. ted States 6s of 1881, coupons he repeal of the law so far as Senators and members of Congress were concerned and the restoration of the former salary

Mr. Kasson called the previous question on the amendment offered by him.

BUTLER PROYIDES FORTHER.

Mr. Butler asked to offer an amendment to Mr. Kasson's amendment providing further that members of Congress who were members of any Congress, and who received back pay under the acts passed at that Congress, shall have the amount of such back pay deducted from the amount due them for this Congress. [General laughter and applause over the House.] STOCKS-Less active through the day and strong. In the afternoon the marke leclined ‡a‡, but at the close the genera list was steady, principal activity in Western Union, Union Pacific, Lake Shore, Pacific Mail, Wabash and Cleveand, Columbus & Indiana Central. Sale for the day aggregated 157,000 shares, of which 86,000 Union Pacific, 15,600 Lake Shore, 12,000 recting the Attorney General to bring suit previous question. The House however recover the same.
